Volunteer!

As Dry Grad is a parent-sponsored event, it is critical that all parents help out in some capacity to ensure a successful event. There is something for everyone to do – whether it's individual shifts or more involved leadership roles.

The majority of volunteers are parents of the graduating class, but others are welcome to help out as well, especially grade 11 parents as they will want to know how this all works for their grads next year.

You can volunteer by using the "Sign Up" link which takes you to the SignUpGenius website. There is no need to register with SignUpGenius to volunteer

Thank you!
